

Introduction

Message in a Bottle is not solely a Lions initiative, however it is an initiative that very many Lions Clubs across the country have taken to and recognise as a means of fulfilling our motto 'We Serve', often funding the scheme from their own charity accounts.

This scheme is free to the user. Whilst it is focused on the more vulnerable people in our community, anyone can fall downstairs, so this scheme can benefit anyone, including you. As a minimum it will save the Emergency Services valuable time identifying you and your emergency contacts. By telling whether you have special medication or allergies or not, it is a potential lifesaver and provides peace of mind to users and their friends and families.

If you have any difficulties in finding your nearest Club, or would like to know more about this scheme, please contact the [MIAB Officer](#).
