

Collection of hearing aids

Caring About People

Ordinary People - Amazing Things

We are collecting hearing aids and associated equipment to send to 3rd world countries after they have been refurbished at Frankland prison.

Old Hearing Aids

Are Now Being Collected
By Your Local

To Be Sent Overseas Where There Is A Desperate Need

You May Hand Them In Here Or Contact:

Remember if you have hearing equipment to donate, you can send it FREE. Just pack it up, address it to Chichester Lions Club, c/o Apuldram Centre, Apuldram Lane South, Chichester, PO20 7PE. Then ring ParcelForce on 08708 501150, follow the instructions for those with a contract. Then quote Contract R233259, tell them it is for Lions Club International and they will come and pick up the package.

We suggest that you put a note inside saying who has sent the package and when Chichester sends the item along to Hastings, we will be able to acknowledge receipt. It is also a good idea to put Hearing equipment for Hastings on the outside of the package.
